SUMMARY

I am a fresher in this field, but I am highly motivated to prove myself through dedication and consistent effort. I am committed to maintaining a professional attitude, being disciplined, and continuously improving my skills. I am eager to contribute positively to the organization, learn from experienced team members, and take on new challenges. My goal is to grow along with the company by achieving targets and adding value through hard work, sincerity, and a strong willingness to learn.

EDUCATION

SSC, Neelkanth International School, Ahmedabad

2019 — 2020

HSC, Bhavin Vidhyavihar School, Ahmedabad

2021 — 2022

Bachelor of Commerce, CC.SHETH Commerce College, Ahmedabad

2023 — 2026

Mern-Stack Developer, Tops Technology, Ahmedabad

2026 — 2027

Currently, I am learning the MERN Stack (MongoDB, Express.js, React, and Node.js) at Tops Technologies in Ahmedabad. This training is helping me develop strong MERN-stack development skills, including building dynamic web applications, managing databases, and creating responsive user interfaces. I am focused on enhancing my technical expertise and gaining practical experience to support my career growth in the Web development field.

HOBBIES AND INTERESTS

- Learning new programming tools and frameworks
- Learning new technologies and programming concepts
